START AND STAGE FINIISH PROCEDURE

Full details of paperless event timing procedures will be in Final Instruction 2.

Competitors are reminded of the Motorsport UK Regulations regarding helicopters and fixed wing aircraft:-

R39.3. During the course of an event, competitors are not permitted to use, or be directly or indirectly concerned in the use of, helicopters or fixed wing aircraft in the vicinity of the event (whether in connection with servicing, aerial surveillance or any other reason whatsoever), unless previous authority has been obtained from Motorsport UK in writing and in compliance with CAA regulations (E.2.2.6).

R39.3.1. Before considering any application for authorisation Motorsport UK must be satisfied that any liabilities they consider apply to the activities, including indemnity cover from Motorsport UK, the event promoters, Organisers and the landowner, have been made available by the operator on their behalf to specified minimum requirements.

R39.3.2. Any application must be made at least 14 days before an event.

R39.3.3. In accordance with CAA regulations, no aircraft is allowed within 500ft of the route, or within 3,000ft of any large crowd.

Penalties for breach of these regulations are left to the discretion of the Clerk of the Course which may go as far as exclusion (G.5.3).

DRONES POLICY

Recreational use of drones is not allowed at events run under a Motorsport UK Permit

Commercial/media operators may only use drones for aerial work at events run under a Motorsport UK Permit when all of the following requirements are met:

- 1 The drone operator holds a valid CAA Permission and operates within the parameters of that CAA Permission at all times
- 2 The drone operator holds a minimum £5million public liability insurance cover, specific to aerial work
- 3 The drone operator prepares an operations plan and submits it to the event organiser in advance
- 4 The drone operator has the prior written agreement of the event organiser and venue owner, and operates within the parameters of their permissions, which may be more restrictive than a CAA Permission
- 5 The drone operator signs on with the event organisers before operating the drone
- 6 The drone operator does not overfly the competition course (track or stage), and any assembly areas, including spectator areas, paddocks and service areas
- 7 The drone operator obeys the instructions of event Marshals and/or Officials at all times.

In the case of stage rally events, the drone operator must also hold Motorsport UK Rally Media Accreditation.

Note the following amendments/additions to the Supplementary Regulations:-

SPILL KITS

Spill kits **MUST** be carried by all competing cars during the rally and if used they must be placed in the bag provided and taken to your local recycling centre for disposal.

SAFETY NOTES

Safety notes are **NOT** permitted on this event. The organisers will appoint Judges of Fact whose duties may include carrying out searches for notes. Only the organisers map may be used.

RECONNAISSANCE

NO PERSON WILL BE PERMITTED TO USE ANY FORM OF MOTORISED OR PEDAL TRANSPORT IN OR AROUND THE CIRCUIT AFTER 0900 THIS PARTICULARLY APPLIES TO CHILDREN.

Competing cars may warm their tyres and brakes on the way from the Service Area to the Stage Start via the circuit main straight, however there is a strict one-way traffic system and irresponsible driving including doughnuts, circles or U-turns will not be tolerated. A judge of fact will be appointed to monitor the use of tyre heating devices. Tyre temperatures may be monitored throughout the event. Should the Clerk of the course suspect any competitor to be in breach of this regulation the competitor will be penalised as per SR21.28. The Clerk of the Course's decision will be final.

We would also remind all competitors of Motorsport UK regulation J 5.13.7 where all cars must be equipped with the facility to enable a fuel sample to be taken. For fuel injected cars the facility must be a dry break fuel sampling coupling approved by the FIA.

Finally, if for whatever reason, you find you will no be able to compete, please inform the Secretary of the Meeting (D. Meeke 07825 066941) prior to 5 pm on Friday 12th March, so that a reserve crew can be notified as soon as possible.
