

Down Rally 2007

Event Press Launch Friday 12th October 2007.

Rathfriland Motor Club invites you to attend the press launch for the forthcoming FM Contracts Down Rally (20th October) which will be based in Castlewellan, Co Down.

The event will be the penultimate round of the MSA Pacenotes Northern Ireland Stage Rally Championship which is currently lead by Glenn Allen (Toyota Corolla WRC), who has a slender 1 point lead from the newly crowned Irish Forestry Champion, Stephen Moore (Focus WRC).

Both drivers will line up on the 20th to go head to head over the gravel roads in the forests of South Down on an event that neither of them has competed on before.

Add in the 2005 winner Sean Devine's Subaru, Richard Hogg's Skoda WRC and local challengers John McGaffin and Emma McKinstry, the event promises some great action throughout the day.

The organisers will provide photo opportunities with Rally Cars and local guests, Local Councillors, Event Officials and Sponsors.

The proceeding will start at 3pm on Friday 12th October at the Kings Inn, Lower Square, Castlewellan and everyone is welcome.
